Re: Change of Ownership, VPDES Permit No. VA0020991, Buena Vista STP

Dear Mr. Dudley:

The enclosed permit has been approved. This permit action involved modifying the permit to reflect a change in ownership. There has been no change in the Discharge Monitoring Report (DMR) for the permit. Please continue to use the DMR provided previously. In addition, the owner name associated with the Watershed General VPDES Permit for Nutrient Discharges to the Chesapeake Bay VAN040063 was amended to Buena Vista Public Service Authority.

DEQ has launched an e-DMR program that allows you to submit the effluent data electronically. If you are interested in participating in this program please visit the following website for details: <http://www.deq.virginia.gov/water/edmrfaq.html>.

As provided by Rule 2A:2 of the Supreme Court of Virginia, you have thirty days from the date of service (the date you actually received this decision or the date it was mailed to you, whichever occurred first) within which to appeal this decision by filing a notice of appeal in accordance with the Rules of the Supreme Court of Virginia with the Director, Department of Environmental Quality. In the event that this decision is served on you by mail, three days are added to that period.

Alternatively, any owner under §§ 62.1 - 44.16, 62.1 - 44.17, and 62.1 - 44.19 of the State Water Control Law aggrieved by any action of the State Water Control Board taken without a formal hearing, or by inaction of the Board, may demand in writing a formal hearing of such owner's grievance, provided a petition requesting such hearing is filed with the Board. Said petition must meet the requirements set forth in §1.23(b) of the Board's Procedural Rule No. 1. In cases involving actions of the Board, such petition must be filed within thirty days after notice of such action is mailed to such owner by certified mail.

Hi Tim,

I was asked to check with you regarding signatory authority to sign the Change of Ownership of the VPDES Permit No. VA0020991 for the City of Buena Vista to the Buena Vista Public Service Authority. We appreciate the explanation provided in the attached letter dated June 28, 2011.

Attached are the signatory requirements for applications from the VPDES Permit Regulation. Could you check and email me back that you have signatory authority under the Buena Vista Public Service Authority? Once I receive confirmation from you, I can continue with the approval of the request.

If you have any questions, let me know.

Sincerely,

Bev Carver

Dear Mr. Maddox,

This letter is to inform you that the City of Buena Vista has transferred all water and sewer infrastructure (including the WWTP) to the newly formed Buena Vista Public Service Authority (BVPSA). The City will continue to operate and maintain these facilities for the BVPSA. I would assume that the NPDES Permit and the General Permit will be changed as well to reflect this new ownership. The BVPSA has a Board of Directors which is the City Council. There are no BVPSA staff. You can continue to send correspondence to me at the same address. Any correspondence to be copied or submitted to the BVPSA should be addressed to:
